Within this Agreement, "Service Provider" and "Generator" shall be collectively referred to as the "Parties" and the term "Party" shall refer to either of them as the context permits.

WHEREAS:

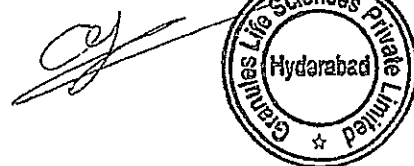

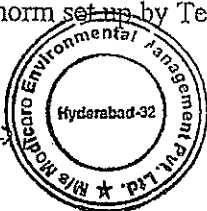

The Service Provider undertakes the liability of collection, transportation, treatment and disposal of the waste (Bio Medical Waste "BMW") generated by Generator at its Location. The Generator shall undertake to adhere to this Agreement of service by Service Provider for a minimum period of two (2) years from the Effective Date. This Agreement may be renewed by either Party by a written notice delivered to the other Party at least thirty (30) days prior the expiry of the Term. The terms and conditions of renewal shall be mutually discussed and agreed to by the Parties, reduced to writing vide a separate Agreement. Either Party can terminate the Agreement after giving a written notice of minimum three (3) months to other Party.

Parties hereby agree to the terms and conditions as follows:

I. Responsibilities of Service Provider

1. The Service Provider shall meet and abide by all the rules and regulations stipulated by the Telangana State Pollution Control Board and the Generator shall not be liable for improper handling and management of BMW.
2. The Service Provider alone is liable for violation of the Environment (Protection) Act 1986 and the relevant rules made there under, after collection of BMW from the Location as per the terms and conditions of this Agreement.
3. The Service Provider shall ensure daily and prompt collection of BMW from the designated point of removal as indicated by Generator and shall take all steps to ensure that the waste is handled without adverse effects to human health and environment. In no event the Service Provider shall fail to collect the BMW from the designated place promptly or within forty-eight (48) hours.
4. The Service Provider shall transport the segregated waste in closed container vehicle to the treatment plant.
5. The Service Provider shall attend to all the complaints within the shortest possible time.
6. The Service Provider hereby agrees to maintain its facility in good condition (fair wear and tear excepted) and ensure continuity of services to Generator during the Term. The Service Provider shall ensure that throughout the Term the approvals, permits and licenses granted to the facility and the Service Provider as an entity for carrying out the Scope of Services are maintained and are in force at all times. The Service Provider shall not assign or sub-contract any of the services to be performed by it under this Agreement without the prior written consent of Generator.
7. The Service Provider promises to keep high standard of pollution control and shall update its equipment/facility as and when required.
8. The Service Provider shall, at an additional cost conduct the training about segregation and packing of BMW in color-coded HDPE bags, Service Provider shall also conduct training about handling and general occupational health and safety aspects of the management and handling of BMW. The Generator will have to depute their authorized personnel to Service Provider training centre.
9. The Service Provider will not be liable for Environment (Protection) Act 1986 or any similar regulations/norm set up by Telangana State Pollution Control Board (TSPCB).
